Could you please give task 5191 an issue date of 1/28/2013? I added some notes in MTS, and 1/28 is the date of an e mail correspondence between Byron Muir and me where I said all they need to do now is give us the permit fee and bond. I'll give you a copy of the e mail for the file. You may want to print this message for the file as well. Thank you.
